2001 Audi A4 Oils, Fluids, Lubricants — CARID.com

When he got to our house we checked the level in the MMI, and he had the same thing as you - the oil level didn't register at all. We started the car and let it warm up again and still no reading, but also no more message about low oil level. We ended up putting 1/2 quart in, and then the MMI reported that it was just under max level.
