A Historian And His World

A Historian and His World will be of interest to intellectual historians, historians of religion, and students of modern Catholic thought. This is the first publication of the Dawson biography in the United States. It is graced by a postscript written by Christopher Dawson reflecting upon the meaning of his work.

A Historian and His World: A Life of Christopher Dawson ...

A historian is a person who studies and writes about the past and is regarded as an authority on it. Historians are concerned with the continuous, methodical narrative and research of past events as relating to the human race; as well as the study of all history in time. If the individual is concerned with events preceding written history, the individual is a historian of prehistory. Some historians are recognized by publications or training and experience. "Historian" became a professional occu
