"Architectural Graphic Standards 11th edition continues a 75-year tradition of offering concise text and descriptive graphics in a basic design handbook for architects." (Fabric Architecture; Sep/Oct 2007) "The practice of Architectural Design is continually changing and this book gives examples of what is considered good practice at this time. I recommend this to everyone doing architectural design; this book is a tool, not a pretty book to leave on the table for visitors to see."
