Arrival City How The Largest

"Doug Saunders's important new book, Arrival City, deals with an unglamorous but biting important issue: the largest ever human migration . . . While various academic titles have plumbed this phenomenon, no single book - until now - has breathed such life and human drama into it . . .

Arrival City: How the Largest Migration in History Is ...

* Arrival cities do not cause population growth; in fact, they end it. * Arrival cities are at the center of the world's future. * It is the "informal" economy that allows newcomers to find work in the city; says the author, "Self-employment, the starting point of the arrival city, has become the global norm."
