Bob James - Nautilus

Bob James (born December 25, 1939) is a two-time Grammy Award-winning jazz keyboardist. Though he has recorded a couple of straight jazz albums, most of his recordings contain "pop-jazz" which is a type of instrumental pop music. Bob James was an important figure in turning 1970s fusion jazz more commercial.

But he might be most known for his track Nautilus which was redone by Nuyorican Soul aka Masters At Work for their 1996 album. It is a lot of gold to choose from, and some of it can work dance-floors. So if funk is your thing, Bob James discography is worth a peek in. To me personally he is a legend.
