Community Schools: Keeping Us Connected. The first two weeks of March went on as any others. Our plans for ribbon cuttings at three new schools were underway, thanks to the AFT Innovation Fund — which had already helped us expand our community school efforts several years back. At those up-and-running schools, we were “business as usual,” with school-based pantries serving an average of ...

### Community Schools: Keeping Us Connected ... - Share My Lesson

Beginning in fall 2014, 45 schools became NYC Community Schools as part of an attendance-improvement and drop-out-prevention grant in partnership with United Way NYC. There are now 267 Community Schools across every district in NYC, funded through city, state and federal dollars.

### Community Schools

Community Schools: Lessons from the Past and Present analyses the history of community schooling throughout the 20th century in order to provide insights into contemporary educational reform. Community schooling is defined as a loosely organized movement to make schools centers of community life by:

### Community Schools — IDEA

I believe the answer to real education/school transformation is strong, authentic community connections and actions. When families, community groups, business and schools band together to support learning, young people achieve more in school, stay in school longer, and enjoy the experience more.

### 5 Steps to Better School/Community Collaboration | Edutopia

Tell your students that they are part of a school community. Ask the class if anyone knows what a community is. After some discussion, define community as a group of people who work together to achieve a common goal.; Explain that everyone at school contributes in their own special way to make sure students learn safely and happily.

### Helpers in Our School Community | Lesson plan | Education.com

Village Community School We challenge norms and encourage children to think deeply, broadly and creatively in ways that are not typical in education today. We are an inclusive community of learners, united by our genuine excitement about ideas and knowledge.
