Core EU Legislation 2019-20 (Macmillan Core Statutes ...

Legislation in member states which implements European Union law must be worded so that it is clearly understandable by those who are subject to the law. In European Union law the general principle of legal certainty prohibits retroactive laws, i.e. laws should not take effect before they are published. The general principle also requires that sufficient information must be made public to enable parties to know what the law is and comply with it.

and advancing the rule of law, rights and democracy in sovereignty-sensitive areas of EU law. Accessible to students, this volume is an invaluable resource for researchers and scholars of EU law and politics.

EU Law in Populist Times edited by Francesca Bignami

European law has come to influence almost all fields of national law, including administrative, constitutional, contract, criminal and even tort law. But what is the European Union? How does it work? How does it produce European law? This book uses a clear framework to guide readers through all core constitutional and substantive topics of EU law.

The Common Core of European Private Law - 26-th Annual ...

Structured in seven parts, the book explores a diversity of topics, from what European company law is, the common rules for establishing, financing and accounting a company, and corporate governance, to the structure of the Societas Europaea Statute, EU company law directives, capital markets and takeover law, and insolvency.

European Company Law by Nicola de Luca

Traditional European conceptions of the function of the conflict of laws are currently undergoing considerable change, which has been likened by observers from across the Atlantic to the American methodological revolution which took place in the 1960s and led to the abandonment of the multilateral choice of law rules which, to a large extent ...

The role of the conflict of laws in European private law ...

The Common Law arises from the traditional and inherent authority of courts to define what the law is, even in absence of an underlying statute, Most criminal law and procedural law; most of contract law and the law of torts; and court decisions that interpret and decide the fine boundaries and distinctions in law promulgated by other bodies ...

The European Union And The Common Law - Ocnus

By providing a nicely weighted backdrop of the actors and institutions at play in EU environmental law and the principles which influence their action, the text is able to provide compelling and critical accounts of both procedural and substantive rights and issues at the heart of environmental protection in the European Union.'

Core Statutes

“Summaries of EU legislation” are short, easy-to-understand explanations of the main legal acts passed by the EU – intended for a general, non-specialist audience. Most cover the main types of legislation passed by the EU: directives, regulations and decisions. But some cover other documents, such as international agreements.

Summaries of EU Legislation - EUR-Lex

In a committee debate on Monday, Juan Fernando López Aguilar (S&D, ES) presented his draft interim report on the December 2017 European Commission proposal to act in view of the perceived threats to the independence of the judiciary in Poland. He pointed to the recent worrying developments in the country related to the rule of law, democracy and fundamental rights.
