### **FreePBX 101 v14 - Part 1 - Installation**

I have the pro version of System Admin, and I tried to update the Distro to the latest version (10.13.66-12). Current version is 10.13.66-1, however the button is greyed out indicating "update in progress". Nothing appears to be actually happening however, and I suspect the update process is stuck.
