And out of those quests for information was born an interest in the history of Madras and a need to do his bit to conserve its relics. Madras, Rediscovered, therefore, is as much a historical guide for those who wish to look around Madras, or wish to find out more about their city, as it is a plea to conserve not only its spacious environment but also its cultural and historic relics, be they Indian or European.

Madras Rediscovered [Paperback] [Jul 01, 2014] S. Muthiah ...

Foreword Archaeological Survey of India (ASI) completed its centenary in 1961. A number of events were organized to mark the occasion; singularly important for the cultural history of modern India. An important segment of the centenary celebrations was an exhibition highlighting the major archaeological discoveries accomplished by ASI in its first 100 years of existence.
