## **FRONTALIS - A: (Action) Elevates**

I was hoping for a quick guide to look at, but you really have to study it to know what you are looking at. Each muscle is written on the sides and then the origin/insertions are in blue/red. You have to already know your stuff really well, don't get it as a review for the MBLEx, that's what I wanted it for...it won't help.
