Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

- Heavy Twins In 1949, Norton broke with years of tradition and introduced their first twin cylinder engine machine, the Model 7. This developed into the famous range of twins, the Dominators including the tinware enclosed De Luxe versions and the superb 650SS. Although the Mercury was the last of the series, going on into 1970, the same ...

Norton has a few iconic models in its history - the Atlas, Dominator and Commando are the most well-known ones. They were all typical British parallel twin motorcycles that follow the kind of styling that India associates Royal Enfield with. The last change of ownership came in 2008, when UK businessman Stuart Garner bought the rights to Norton.
