Michael Porter - Wikipedia

107 quotes from Michael E. Porter: 'The essence of strategy is choosing what not to do.', 'consumers tend to be more price sensitive if they are purchasing products that are undifferentiated, expensive relative to their incomes, or of a sort where quality is not particularly important to them.', and 'Competition on dimensions other than price - on product features, support services, delivery time, or brand image, for instance - is less likely to erode profitability because it improves ...
