Politics Of Authoritarian Rule

" The Politics of Authoritarian Rule is a very important contribution to political science. The book provides much-needed theoretical microfoundations to a growing, but still scattered, literature on authoritarianism. It is based on superb empirical work. Above all, it is the product of Svolic's first-rate analytical mind working at its best."

The Politics of Authoritarian Rule (Cambridge Studies in ...

Milan W. Svolic argues that all authoritarian regimes must resolve two fundamental conflicts. First, dictators face threats from the masses over which they rule - this is the problem of authoritarian control. A second, separate challenge arises from the elites with whom dictators rule - this is the problem of authoritarian power-sharing.

Trump and the rise of authoritarianism.

Authoritarianism, principle of blind submission to authority, as opposed to individual freedom of thought and action. In government, authoritarianism denotes any political system that concentrates power in the hands of a leader or a small elite that is not constitutionally responsible to the body of the people.

authoritarianism | Definition & Facts | Britannica

Authoritarianism is characterized by highly concentrated and centralized power maintained by political repression and the exclusion of potential challengers. It uses political parties and mass organizations to mobilize people around the goals of the regime.

Authoritarianism - Wikipedia

An authoritarian state is characterized by a strong central government that allows people a limited degree of political freedom. However, the political process, as well as all individual freedom, is controlled by the government without any constitutional accountability

UK poised to embrace authoritarianism, warns Hansard ...

A key finding in the literature on authoritarian regimes is that leaders frequently rely on ruling parties to stay in power, but the field lacks systematic ways to measure autocratic party strength. As a result, it is not clear how often ruling parties are actually strong and capable of carrying out important functions.
