Talking with Tech Leads by Patrick Kua - Goodreads

'Talking with Tech Leads' is different from the very first pages, because it doesn't take a quantitative approach to leadership, but the much more difficult (and dreaded) qualitative approach. You don't get the sales-y pitch of "Here's a bullet-point list of five tips that will make you a killer technical lead in 24 hours". You get a series of 50 semi-structured interviews, straight off from the trenches.

Review: Talking with Tech Leads | Ana Todor Blog Journey ...

Inside you will read stories from people who have been in this position, and the lessons they have learned along the way. The book is split into two main sections:

Talking with Tech Leads by Patrick Kua [Leanpub PDF/iPad ...

Talking with Tech Leads Quotes Showing 1-9 of 9. "The Tech Lead brings value by enabling everyone on the team to contribute code as much as possible; by avoiding rewrites due to people working in different ways; by managing technical debt to make it easier to add code, and by promoting relationships between the development group and business colleagues to ensure the code addresses business goals and delivers true value.

Talking with Tech Leads Quotes by Patrick Kua

Talking with Tech Leads is a book by Patrick Kua for Tech Leads from Tech Leads. What is a Tech Lead? Patrick defines a Tech Lead as follows: A leader, responsible for a development team, who spends at least 30 per cent of their time writing code with the team.

Talking with Tech Leads - codetrade

"Talking with Tech Leads" has helped me redress some of that balance and think through what it means to lead software teams in the early 21st century. For that I am grateful to Patrick and I hope you'll feel that the book will help you to reflect upon, and address, your challenges and aspirations around technical leadership too.
