### The New Shingled House Ike

"In their second book, The New Shingled House—featuring homes from Martha’s Vineyard and the Hamptons to Northern and Southern California—partners John Ike, Thomas A. Kligerman and Joel Barkley showcase one of the defining styles of their practice. A marriage of modernist versatility and traditional materials, the new shingled style reasserts the iconoclasm of an architecture that, now often watered-down, was once highly progressive."

### The New Shingled House - Period Homes

There might have been hours of discussion about whether to include a mid-century home in San Diego belonging to architect John Ike in his firm’s latest book, The New Shingled House (Monacelli). The house isn’t new (it was built in 1945), and it isn’t shingled (almost as an afterthought, shingles appear on an interior wall). And it was hardly the kind of perfectly constructed building that clients of New York- and San Francisco-based Ike Kligerman Barkley have come to expect. When ...

### The New Shingled House : Ike Kligerman Barkley by Thomas A ...

The Shingle style is an American architectural style made popular by the rise of the New England school of architecture, which eschewed the highly ornamented patterns of the Eastlake style in Queen Anne architecture. In the Shingle style, English influence was combined with the renewed interest in Colonial American architecture which followed the 1876 celebration of the Centennial.
